GAMES TOMORROW.

Marion at Youngstown.
Sharon at Akron.
Mansfield at New Castle.

"Lefty" Wilhelm, the only south paw on Drumm's squad, blanked the Sharon aggregation in the first game of a double header yesterday afternoon and in the tenth inning drove in the lone tally that gave the contest to Marion.

Wilhelm despite his wildness worked in great form and pitched himself out of numerous holes when it seemed that the visitors would take the game. Toward the close of the game he settled down and pitched magnificent ball, finishing stronger than when he commenced. Patterson sent Stecher, whom he secured recently from the P. O. M. league to the hill. Stecher had perfect control and kept the safe drives of the Lime Burners searated until the tenth inning when two hits netted one run and the contest.

Opportunities to win the contest were very numerous and the fact that runs were not made earlier in the game was due to the fact that both clubs fielded like perfect machines and the twirlers were invincible.

Wilhelm opened up the game by fanning Tooley after which Matteson singled to center. Mathay was out on a fly to Riley. Wilhelm made a hum heave and Matteson went from first to third. Green was out from Wilhelm to Dithridge.

In the second Sellers got four wide ones and was sacrificed to second by McLafferty. A wild pitch let the runner get to third. Bissell was a good waiter and walked. He attempted to steal second and Luskey's mighty right mowed him down. Griffin was out on a fly to Farrell.

Wilhelm passed Stecher in the third and the runner was caught trying to take second. Tooley and Matteson fanned. Patterson's warriors had another great chance to score in the fourth. With one out "Lefty" hit Green with a fast one. He went to second on Sellers out at first and to third on McLafferty's bingle to left. Bissell, however, couldn't cut it and went out from Wilhelm to Dithridge.

The last and best chance of the visitors to cross the rubber came in the sixth inning but Wilhelm was the same old tight wad with the bases occupied and there was nothing doing. Matteson and Mathay walked. Green failed to sacrifice and fled out to right. Seller popped to Mylett and McLafferty got a base on balls filling the cushions. Bissell again failed to connect and Sharon's last hope was gone.

With one out in the first inning Lucas slashed the ball on a line into right field tagged for two bases. Mathay was a great sprint and making a wonderful lunge opened the ball in his gloved hand. Sellers in center retired the side by making a sensational shoe string catch of a liner from Farrell's bat. With one out in the next frame

Riley singled to right and then stole second. When Sellers caught Middleton's fly Riley was doubled. Marion went out in order in the next two periods and although Luskey led off with a hit in the sixth the bingle necessary to bring him in failed to come.

The tenth was where the real excitement occurred and the fans let loose when Middleton planted a pretty single in right. Delgarn sacrificed him to second and Luskey fanned. Then "Kaiser" Wilhelm soaked one over second scoring Middleton and breaking up the game.

STOLEN BASES.

Tommy Mylett is keeping up his great game at short. Mylett had a large number of chances yesterday and handled all but one in fine style. At the bat, he is setting there, worries the twirlers half to death because they know they must lay them over to him. Occasionally when a pitcher, who is inclined to be a little wild, starts out by laying them over straight to Tommy, that player takes a long, healthy swing and generally the ball goes fair.

With men on first and third yesterday, Luskey and Mylett nipped a number of runners who were trying to take second.

Charley Luskey played two pretty games behind the bat yesterday. Base runner after base runner went out trying to steal on the hard throwing Buster.

A double header is on today. Fox worked for Marion in the first game and Burk in the second.

Paddy Green played around the third sack for Sharon in wonderful style yesterday. On several occasions Paddy had to take off his hat in response to the applause from the stands.

Those two victories yesterday surely did help. As a result, Marion is resting in fifth place with a nice comfortable lead over New Castle, and nearly one hundred points ahead of Sharon.

"I guess that had Mylett in poor dope," said a well known fan today. The ball was surely driven through the board. All Tommy needed was a few hot days. He is just beginning to trot. Watch his smoke.

Newark, 5; Akron, 1.
Newark, June 26.—Newark etched her hold on first place for a while by winning from Akron this afternoon while Mansfield was defeating the champs. Jack Kennedy, recently of the American association, opened for Akron, but retired after the second, having been battered for four doubles, a triple and a single, netting four runs. Link held Akron safe except in the third, when Caffyn and Broderick doubled, scoring one run. Local fans are celebrating tonight by burning red fire and shooting sky rockets. Hundreds of the bugs marched the streets until late at night, celebrating the city's undisputed claim to first position. Score:

A SCHEME OF JOHN'S.

Fear of Landlady Greater Than His Love of Sleep.

John was a sleepy-head, so celebrated, indeed, that he had never been known to wake up by what his family called a natural process. So when he went off to college it was only natural that he should be presented with alarm clocks from two of his numerous aunts.

"One will be enough, dear," said his mother, but John took them both. He set the alarm of one at the hour of rising and placed it at the head of his head; the other he set 15 minutes later, and each night placed it at the head of the stairs outside of his landlady's door. Then he wrote home an account of how it worked.

As his alarm went off in the morning his first thought was that the clock on the stairs would make itself heard in 15 minutes. This aroused him so fully that he was able to spring out of bed on the instant.

WILMOT WAS EFFECTIVE

Had Advantage in Great Pitcher's Battle

Mylett Plays a Sensational Game at Short—Paddy Green Also Shines for Sharon.

Desirous of taking the second game from the Three S team, Drumm sent big Al Wilmot to the firing line to oppose Mock, the crack southpaw whom Patterson had selected to bring his team to victory.

Wilmot showed the same excellent form that he has displayed in the past two weeks, and had the Sharonites completely at his mercy after the opening inning. The team behind him played the same class of baseball that they did in the opening game. Mock pitched a brilliant game and allowed the locals six hits. He received excellent support, and thus sided escaped from several tight places with but little more than a scare.

Sharon took the lead in the first. Tooley had gone out to Farrell, when Matteson singled through short. Mathay worked Wilmot for a pass and Green tied out to Farrell. Sellers was the right man in the right place and cracked out a safe one to right center scoring Matteson. McLafferty was out from Mylett to Dithridge.

Then Wilmot put on the lid and allowed but two hits during the remaining eight innings. Perfect support kept the visitors from becoming dangerous at any time.

Marion was easy picking for Mr. Mock in the first three frames and the one run looked very large. In the fourth, however, Lucas got a single past third. Farrell sacrificed him to second. He took third when Dithridge was safe at first on Griffin's error. Riley brought in Lucas and sent Dithridge to second with a pretty single to right. Middleton and Delgarn were easily disposed of.

The locals, not satisfied with a tied score, forged ahead in the fifth. Luskey opened up the fireworks by doubling to the left field corner of the yard. Wilmot beat out an infield hit and Luskey went to third. The big pitcher kept up the good work by stealing second. Mylett looked them over and walked filling the sacks. Lucas fled out to Sellers and Luskey scored on the out. Farrell and Dithridge popped out.

The Lime Burners picked up another tally in the sixth. Riley failed to get out of the way of one of Mock's fast ones and got on. Middleton laid down a hunt and both men landed safely. They were advanced a base by a passed ball. Delgarn walked filling the bases. Luskey cracked out a long drive to Mathay and Riley beat the throw-in by inches, the other runners moving up a peg. Wilmot straightened out one of Mock's benders and the ball started toward left field, tagged for three bases. Paddy Green, the real hero of the visitors during their stay here, went up into the air like a flash and hauled down the drive, doubling Middleton at third unassisted.

Mother's Friend

Battle with Ferocious Rats.

In a battle with rats, Abraham Hunsberger, of this place, killed 23 which had attacked him, while as many more escaped. When the fight began he struck at one huge gray rat with the hoe; the animal squealed, and in an instant the loft was full of rats, which attacked Hunsberger, grabbing at his legs and tearing his trousers with their sharp teeth, others jumping on his back and snapping at him. Hunsberger dropped the hoe, frightened, and endeavored to get out of the loft through a trap door. The door had "caught," and finding he could not get it open, he again grabbed the hoe, and with part of the handle as a weapon, fought the infuriated little animals.—Lansdale (Pa.)
